# *Item No. 3* Status of Training Activities

- Director General (NRRDA) and Joint Secretary (MoRD) had requested five SRRDA's to send the nomination on training programme of development of Direct Trainers skills (DTS) to DoPT. The officers of Bihar and Uttarakhand had taken benefit of such training for development of their training skills.
- 2. During the year 2009-2010, 1172 persons of PMGSY have been trained at State Institute of Rural Development (SIRD) and National level Institute such as NITHE. Different batches of training have been conducted for plain region states and hill region states. Training module of 2, 3 and 6 days duration suitable for PMGSY senior officers as well as for JE's and AE's have been developed and available on PMGSY Website. List of suggested faculties is also available on PMGSY Website.
- All the State officers present in the PRC meeting held on 18<sup>th</sup> March,
   2010 have been requested to communicate their suggestions on the
   Training modules developed by NRRDA.

# Item No. 4 Constitution of Standing Advisory Committee for Rural Roads:

During the final meeting of Expert Committee to review the standards and specifications for achieving economy in Rural Roads construction, it was recommended that a Standing Advisory Committee be constituted for helping the updation of standards and specifications and advise the ministry for refinement of guidelines, where required. The committee will also advise NRRDA in taking up pilot projects and their monitoring. The Standing Advisory Committee on technical standards and design will be constituted and notified with officials and non-officials experts in the subject of highways.

Accordingly, the committee was proposed, consisting of the members as per **Annexure –III**. The Terms of Reference are placed as **Annexure -IV**. DG, NRRDA has desired that the constitution of the Standing Advisory Committee

be placed as an Agenda Item for approval of the Executive Committee of NRRDA.

The members of the Executive Committee may recommend to the General Body of NRRDA the constitution of the Standing Advisory Committee for Rural Roads. It is also proposed that the non-official members of the proposed Committee may be paid TA/DA and honorarium for attending meeting as per NRRDA Rules.

# *Item No. 5* First, Second and Third tier of Quality Monitoring:

The information about performance of first and second tier of QM of third quarter of 2009-10 (October, 09 – December, 09) is given in *Annexure-V&VI*.

- (a). A three tier quality mechanism is operational under Pradhan Mantri Gram Sadak Yojana. Under the third tier of Quality Mechanism, National Quality Monitors (NQMs) are engaged for carrying out inspection of works. Currently, 83 NQMs are empanelled under the third tier for carrying out inspections of PMGSY works. The position of ATRs and quality grading is being reviewed in NRRDA regularly. The statement showing the quality grading by NQMs and action taken reports for a period from January, 07 to December, 09 is given at Annexure-VII.
- (b). Performance evaluation of NQMs has been carried out in the meeting of the committee during 22<sup>nd</sup> to 28<sup>th</sup> February, 2010. The observations are being submitted to the Selection Committee which is likely to meet in April, 2010.

Submitted for information of the Executive Committee.

# Item No. 6 Status of Implementation of e-Procurement under PMGSY

As per PMGSY guidelines well established procedure for tendering, through competition is required to be followed for selection of agencies to execute project sanctioned under the scheme. Keeping in view the comparative advantage of e-tendering, the Ministry of Rural Development has decided that w.e.f. April 1, 2009, all PMGSY works shall be procured through e-Tendering.

The States of Andhra Pradesh, Orissa, Haryana, Gujarat, Karnataka, Madhya Pradesh and West Bengal have already started procurement of works under the programme through e-tendering. The States of Assam and Chhattisgarh are in advance stages of fully institutionalizing e-procurement under the programme during the current financial year.

The Ministry has decided to fund a project for implementing the e-procurement in various States through NIC. In the first phase, the States of Arunachal Pradesh, Bihar, Himachal Pradesh, Manipur, Maharashtra, Punjab, Rajasthan, Uttar Pradesh, Sikkim and Tripura are being covered with a view to commence e-procurement during the year and also the support in respect of facilities of hardware are being provided for the States of Haryana and Orissa. Government of Assam has intentions to switch over to NIC e-procurement software; therefore, this State has also been covered in the first phase. In the second phase of the project, the states of Jammu & Kashmir, Jharkhand, Kerala, Tamil Nadu and Uttarakhand are planned for coverage. The action for switching over to e-procurement under PMGSY is yet to be taken in the States of Goa, Meghalaya, Mizoram and Nagaland.

Submitted for information of the Executive Committee.

# *Item No. 7* Complaint Handling:

A well established complaint handling mechanism is operational under PMGSY. At NRRDA level also a system has been devised for appropriate redressal of complaints received. Upto February, 2010, 336 complaint cases were received, 137 cases were forwarded to States for appropriate action. In balance 199 cases independent

monitors were deputed to carry out inspection, in 32 cases enquiry is in process, in 96 cases no deficiencies were found and in 71 cases the quality of works was found 'Unsatisfactory'. All these cases have been sent to the State Government for rectification and appropriate action against the functionaries responsible.

Submitted for information of the Executive Committee.

- 4. Dr. B.P. Chandrasekhar, Director (Technical), NRRDA, New Delhi.
- 5. Shri R. Chauhan, Director (F&A), NRRDA, New Delhi

The following officers from NRRDA were also present:

- 1. Shri H.K. Srivastava, Director (Projects-I), NRRDA, New Delhi.
- 2 Shri Prabha Kant Katare, Director (Projects-III), NRRDA, New Delhi.
- 3 Shri A.D. Kapaley, Director (Projects-II), NRRDA, New Delhi

The meeting started with the Chairman welcoming the members. At the outset, the Executive Committee resolved to place on record its deep appreciation of the services rendered by Shri J.K. Mohapatra, the former Director General, NRRDA/Chairman, Executive Committee and welcomed Dr. D.S. Gangwar, present Chairman, Executive Committee in his first meeting.

The proceedings of the meeting were as follows:-

Item No. 1 Confirmation of the proceedings of the 18th meeting of the Executive Committee.

The Executive Committee confirmed the proceedings of the previous meeting.

Item No. Approval of Revised Estimates for 2009-10 and BE for 2010-11 2 &7

The Executive Committee took up the tabled Agenda Item No. 7 on BE 2010-11 also along with the Revised Estimates 2009-10 for discussion.

The Executive Committee discussed the funds proposed to be provided under different heads in the RE 2009-10 and BE 2010-11, sought necessary clarifications and approved the provisions of funds proposed under different heads.

Item No. 3 Approval of Annual Report and Annual Accounts of NRRDA for 2008-09

The Annual Report and the Accounts of NRRDA for 2008-09 were placed before the Executive Committee and clarifications sought by the Members were furnished. The Executive Committee approved the Annual Report and Accounts.

Item No. 4 Amendment of the Terms & Conditions governing consultancies

Taking note of the fact that the existing rates of fee being paid to the consultants/experts at par with the then prevailing rates of IRC were approved by GB in its first meeting in 2004, which have been revised upwardly by IRC, the Executive Committee approved for recommending to the General Body for approval the proposed amendment in the relevant provisions contained in the Para-6 of Appendix V to Memorandum of Association, Rules and Regulations and Bye-laws subject to observance of the qualifications and conditions prescribed in the IRC fee structure, to enable payment of fee to consultants/experts at par with those prevailing in the IRC. Chairman desired that based on the IRC's pattern or otherwise, a system of evaluation of consultants' works should be evolved. He opined for the present system of ACR writing or a 360 degree kind of performance appraisal system.

Item No. 5 Requirement of additional office space for NRRDA

The Committee deliberated in detail on the requirement of additional space and opined that the NRRDA should also grow and be developed on an institutional model also. It should have its own campus somewhere in NCR area.

The requirement of space should be assessed accordingly with a long term perspective and future growth of NRRDA. It authorized the Chairman, Executive Committee, to constitute a Committee for looking in to all the relevant aspects in this regard and submit its recommendations within three months. It resolved to recommend to the General Body accordingly for its in principle approval.

Item No. 6 Ratification of the appointment of NITT & RL, Chandigarh for preparation of an educational documentary film on construction of Cement Concrete Roads under PMGSY.

The Executive Committee ratified the appointment of NITT & RL, Chandigarh for preparation of an educational documentary film on construction of Cement Concrete Roads under PMGSY.

Item No. 7 Recommendations of the Selection Committee for Empanelment/discontinuation of National Quality Monitors.

While noting the recommendations of the Selection Committee and ratifying the empanelment/de-empanelment made as per the recommendations subject to de-empanelment of all the four NQMs stated in the table under Para-2 B(i) of the Agenda Item, the Executive Committee observed that the selection is from basically Government sector and desired for selections in future to explore the possibility of increasing the universe of applicants by associating infrastructure development professionals from the private sector and academia.

# Item No. 8 Status of Training Activities

The Executive Committee was apprised of the status of training activities undertaken so far and the training planned for the current year by NRRDA.

DG, NRRDA suggested that Department of Personnel & Training (DoPT) has developed different types of modules to suit training requirements of various Ministries. NRRDA should try to develop suitable training modules and programmes with their help to make the training programmes of NRRDA more useful. He stated that the engineers implementing the PMGSY programme should play the role of Operational Managers also to better manage the Programme. As such, NRRDA should consider developing a training programme for senior engineers/officers involved in PMGSY to enhance their managerial skills. He desired that NRRDA should interact with Indian Institute of Management, Ahmedabad which have conducted similar programmes in the recent past for developing a programme of its own to suit the managerial requirements of PMGSY.

# Item No. 9 Outcome targets and achievement 2009-10

The Executive Committee was given a brief account of the progress made, against the targets for 2009-10, with regard to road length completed and expenditure incurred upto October 2009. #### Item No. 9

# Strategic plan of Department of Rural Development - PMGSY

- Objective is to support the efforts of GOI to dynamically improve the performance in development program.
- The strategic plan is required to be prepared and submitted to Performance Management Division of Cabinet Secretariat.
- Steps are:
- Ø Define the aspiration
- Ø Assess the situation
- Ø Develop the strategy
- Ø Plan implementation
- Ø Finalization of the Strategic Plan

#### The vision is:

Sustainable and inclusive growth of rural India through the multi prolonged strategy for eradication of poverty by inclusive all-weather access to the rural areas and including them in the main stream of social and economic activities. This would aim to increase livelihood opportunities, developing infrastructure for growth and improvement of quality of life in rural India.

#### **Aspirations**

The aspirations are:

- Standardization, Evaluation and Review of Engineering Standards.
- Capacity Building
- Quality Assurance
- Maintenance Management
- Review of PMGSY Accounting Manuals and Internal Audit Guidelines
- Research and Development of Rural Roads
- Online Management, Monitoring and Accounting System (OMMAS)
- Capacity Building of Panchayati Raj Institutions (PRIs)
- Transparency and Complaint Handling
- Collaboration with International Organizations

We aim to improve upon the above list as we proceed further.

# The next steps are:

|                      | Understand and assess external factors that will impact us                           |
|----------------------|--|
| Assess the situation | Identify key stakeholders, their core agenda and basis of working together with them |
|                      | Assess Department's strengths and weaknesses   |
|                      | Define the core learning agenda  |

### Assessing external factors that may affect us

#### Some of the external factors identified are:

- Availability of resources includes financial resources (Financial Institutions, EAP component).
- Ø Unforeseen weather shock.
- Institutional arrangement at the programming and implementation levels.
- Ø Improve uses of Information Technology in program implementation and monitoring, E-tendering to cut down cost and make the process more transparent.
- Use of cost effective material and technology to achieve economy durability and serviceability of rural roads.
- Ø Environmental and forest clearances.
- Availability of road construction material within economic lead.
- Land availability.
- Law and order situation in some parts of the country.

# Assessing department strengths and weaknesses

#### **Strength:**

- Rural roads tangible and verifiable assets.
- Rural public supports PMGSY
- Program is in place for last 9 year and has developed institutional strength, such as establishment of NRRDA to provide technical and managerial support to the Ministry.
- Publication of manuals and standardization of specifications and process.
- Three tier quality monitoring
- Involvement of academia (PTAs and STAs).
- Goodwill and credibility

# Weaknesses:

- Escalating/ever increasing unit cost.
- Availability of skilled labour.
- Availability of technical personnel.
- Availability of equipment suitable for rural roads (inadequate road construction equipment manufacturing capacity).
- Capacity and capability of contractors.
- Inadequate efforts for maintenance of assets.
- Adverse weather condition in different parts of the country at different point of time and natural calamities like flood and droughts.

# **Executive Committee Members are requested to suggest additional factors.**

# **Define the Core Learning Agenda**
