2. Current Proposal by the State:

A detailed presentation on the proposal submitted by the State of Karnataka under Batch-III of 2020-21 was made by Consultant/Director (Tech.), NRIDA before the Pre-Empowered Committee. The details of the proposal are as under:-

Item	As per OMMAS dated 21.03.2021			
	No	Length (in km/m)	Cost (Rs in Crores)	Avg. Cost per km/m (Lakhs)
Roads	21	142.27	88.00	61.85
LSBs	2	69.83	3.03	4.34/m
Total	21 roads 3 LSBs	142.27 km roads 69.83 m LSBs	91.03*	
*MoRD Share : Rs. 54.00 Crore		State share : Rs. 37.03 Crore		

The State of Karnataka has been allocated target length of **5,613** Km under PMGSY-III, out of which State has already been sanctioned **5,428** km and 185 Km remains to be sanctioned. Further, out the sanctioned projects, 3 road works of 26.00 Km proposed for de-sanction. Thus, subject to de-sanction of 3 road works of 26 Km, total 211 km remains to be sanctioned to the State. The State has so far uploaded proposals of 21 roads of 142.77 Km and 2 LSBs of 69.83 m. The State should upload full complement of proposals so as to saturate the target.

3. The Committee was informed that the STA has so far scrutinized 5 roads of 34.57 Km only. PTA has not scrutinized any proposal on OMMAS. **Considering that the State has not yet uploaded full complement of proposal and that very few proposals have so far been scrutinized by the STA, the Committee decided to defer the consideration of the proposal till uploading of full complement of proposal and 100% scrutiny of proposals by the STA and 10% proposals by PTA. Moreover, any dropping proposals as mentioned above should also be sent, so that the full length of the balance target can be considered.**
