Dated: 25 October, 2023

To,

All Additional Chief Secretaries/ Principal Secretaries/ Secretaries In-charge of PMGSY of all States/UTs.

Sub: Enabling Agreement entry on OMMAS for the tendered amount higher than 20% of MoRD sanction amount.

Madam / Sir,

Recently NRIDA has received several communications from the States regarding enabling provision for agreement entry on OMMAS for the tendered amount higher than 20% of MoRD sanctioned amount. Presently under PMGSY-III, OMMAS does not allow to enter the tendered amount higher than 20% of sanctioned amount.

As per Para 11.5 of PMGSY Guidelines, "With the use of annual State Schedule of Rates, it is expected that on average the tendered value would approximate the estimated value. All costs due to time overrun, arbitration/judicial award shall be borne by the State Government. In case, the value of tenders received is above the estimate that has been cleared by the Ministry, the difference (tender premium) pooled for the entire District for works cleared in a batch will be borne by the State Government".

In view of the above, it is advised to all the States/UTs to prepare work wise list interalia confirming following for each work in a tabular form, along with the proposal submitted to the MoRD, for enabling the entry of agreement amount more than 20% in OMMAS:-

Name of work	Whether the tendered amount is reasonable as per market analysis (Y/N)	The reasons for wide variations in comparison to sanctioned amount	Whether the tender premium shall be borne by the State (Y/N)	Whether the technical specifications etc. are strictly as per approved DPR (Y/N)
(i)	(ii)	(iii)	(iv)	(v)

The above should be certified by the CEO, SRRDA and submitted to NRIDA for enabling required entries in OMMAS.

With regards,

Yours sincerely,

(Amit Shukla)
