Agenda Item No. 3

Creation of additional posts for the Technical, Projects, Quality Monitoring (P-III) and Finance & Administration including IT Divisions of NRRDA.

Based on the report of consultants, the existing staffing structure and the strength of NRRDA were approved by the General Body in February, 2004. With the passage of time, the volume of work in the Agency has increased manifold and many new activities like, strengthening of quality monitoring of PMGSY work that led to creation of a new Division headed by a Director & Chief Quality Co-coordinator, implementation of Official Language Policy, handling of World Bank & ADB loans, NABARD loan, review of finance and accounts of SRRDAs, RTI, CPGRAMS, SEVOTTAM, RFD, , introduction of GIS for road mapping, etc. have got added to its functioning that were not foreseen earlier. Accordingly, taking into account the demands of various Divisions for additional posts and feasibility, a proposal for creation of 14 additional posts at various levels was sent to Ministry of Rural Development in June, 2011 out of which 07 additional posts were found justified.

- 3.2 Meanwhile, to make NRRDA a more professionally efficient, vibrant and responsive organization by strengthening it technically and managerially to meet the future challenges, a review of implementation of PMGSY and functioning of NRRDA was conducted by M/S McKinsey & Co. The findings and recommendations of the said consultant were subsequently discussed on 9th January, 2012 by a Committee chaired by Hon'ble Minister of Rural Development where Secretary (RD) was also present. The representatives of various States were also invited in the said meeting. After an in-depth analysis of the technical and professional needs of NRRDA, the Committee resolved to make a proposal before the Executive Committee and General Body, after concurrence by IFD, MoRD, for creation of 11 additional posts.
- **3.3** Accordingly, an Agenda item (*Appendix-IV*) containing the proposal for creation of 11 posts was placed before the Executive Committee. The EC resolved to recommend the proposal for creation of 09 posts for Technical/ Projects/ Quality Monitoring Divisions and 02 posts for F&A/ IT Divisions (Jt. Director: 01/ Dy. Director: 01/ Asstt. Agenda Item No. 4

- a) Proposal for rationalisation of service terms & conditions of deputation in NRRDA.
- b) Proposal for fixed consolidated service fee to be paid to support staff to be engaged through a fresh manpower service provider w.e.f. 1.4.2012.
- c) Proposal for rationalization of terms and conditions of retired Government servants engaged in NRRDA on contract basis.

The Memorandum of Association and Rules & Regulations of NRRDA enjoin that there will be no permanent appointment to the Agency and the personnel will be obtained or engaged on deputation or hired on contract basis. Thus, unlike other Government offices, NRRDA does not have any regular officers and staff against its sanctioned posts nor any pay scales are provided in its rules. Despite repeated efforts made by NRRDA to fill up its posts in deputation mode, only 09 persons are in position on deputation as on date against sanctioned strength of 66. The remaining posts are manned by either retired employees (17) engaged by NRRDA on contract basis or by support staff (36) engaged on contract through a manpower service providing agency.

- 4.2 The General Body of NRRDA in its 13th meeting held on 8th December, 2010 taking note of the fact that NRRDA was facing difficulties in getting persons on deputation felt need for making the service conditions of NRRDA a bit more attractive. It was also suggested that the possibility of providing accommodation as a part of the service conditions be explored so that more professionally qualified and experienced people could come forward for deputation to NRRDA. A Committee comprising officers from NRRDA, Ministry of Rural Development and Consultant (Finance), chaired by the Director General, NRRDA examined the matter. The Committee observed that some of the main reasons for officers being reluctant to join NRRDA on deputation basis were as under:
 - ➤ NRRDA was not in a position to provide accommodation to officers coming on deputation to NRRDA as no accommodation was available with it whereas they are generally provided accommodation by their respective Governments.

- ➤ The quantum of HRA admissible [30% of (pay + GP)] to them was inadequate to neutralize the high and rising rental cost of housing in Delhi.
- ➤ 10% [of (pay + GP)] Deputation (Duty) Allowance admissible to officers coming on deputation was quite inadequate whereas some of the Government organizations provide attractive salary packages and better conditions of service.
- **4.3** Taking into account all the aspects and the imperative need to professionally strengthen the NRRDA, the Committee recommended for providing leased accommodation to deputationists on the pattern of NHAI, better pay packages and other facilities. The recommendations of the Committee were placed before the Executive Committee in its 24th Meeting held on 11th August 2011. The Executive Committee broadly recommended (Minutes at *Appendix-V*) as under:
- (1) Provision of leased accommodation to deputationists or HRA at the existing rate of 30% of basic pay including Grade Pay.

(2) <u>Provision of better pay package</u>

- (i) Officers coming on deputation to NRRDA from Central/ State Government Departments and Bodies may be given an option of :
- (ii) the next higher pay scale (i.e. corresponding to the higher grade pay) than that of their pay of the existing post in his parent cadre (restricted to grade pay of Rs.10000) provided they have completed at least 3 years service in that post in the parent cadre. **or**
 - (b) the pay scale/ grade pay of their parent cadre post plus deputation (duty) allowance @ 10% without any ceiling on the allowance and tenure as at present.
- (ii) To protect the total emoluments of officers coming on deputation to NRRDA from Central/ State Public Sector Undertakings/ Bodies plus Deputation (Duty) Allowance @ 10% without any ceiling on the allowance and tenure as at present and.
- (iii) In addition to pay and Deputation Allowance as at (i) or (ii) above, a personal pay in the range of Rs.1100 to 10% of his Basic Pay including

Grade Pay (if any) to be decided by DG, NRRDA may also be paid. Executive Committee will be kept informed of the cases of personal pay allowed to the deputationists.

- **4.4** The General Body in its meeting held on 24th August, 2011 accepted the above recommendations.
- 4.5 Secretary (RD) while considering a proposal in connection with selection to the post of Director on deputation in NRRDA read with observations of DG, desired a comparison of the terms and conditions of deputation on foreign service of NHAI and NRRDA and further liberalisation of these accordingly to enable a better response to the deputation needs of NRRDA from more professionally qualified and experienced officers. Accordingly, the matter was discussed with other Directors of NRRDA and a proposal for rationalizing the deputation terms and conditions was formulated (*Appendix-VI*).
- 4.6 Meanwhile, on 9th January, 2012 a power point presentation was made by M/S McKinsey & Company in the meeting chaired by Hon'ble Minister (RD) and attended by Secretary (RD), Secretary, DoLR, DG, NRRDA, Director, CRRI and other officers. An in depth analysis of the needs of NRRDA in respect of the technically qualified experienced professionals was carried out and need for making the service terms and conditions more lucrative was expressed. It was desired that a suitable agenda item in this regard be brought before the Executive Committee in its next meeting and recommendations thereof be placed before the General Body, as concurred by IFD, MoRD, in its next meeting scheduled for 27th January 2012.
- **4.7** Accordingly, an Agenda item containing proposals for rationalising the pay/remunerations, service terms and conditions of deputationists, retired Government servants and support staff engaged through service providers to enable NRRDA to get more professionally qualified and experienced persons was submitted before the Executive Committee in its meeting held on 10th January, 2012. Appendix-VII

National Rural Roads Development Agency Ministry of Rural Development, Government of India

Agenda for the 25th Meeting of the Executive Committee schedule for 10th January 2012

d) Proposal for rationalisation of service terms & conditions of deputation in NRRDA. Item e) Proposal for consolidated service fee to be paid to support staff to be engaged No.7 through a fresh manpower service provider w.e.f. 1.4.2012. f) Proposal for rationalization of terms and conditions of retired officers/staff engaged in NRRDA on contract basis The Memorandum of Association and Rules & Regulations of NRRDA enjoin that there will be no permanent appointment to the Agency and the personnel will be obtained or engaged on deputation or hired on contract basis. Thus, unlike other government offices, NRRDA does not have any regular officers and staff against its sanctioned posts at various levels nor any pay scales are provided in its rules. Despite repeated efforts made by NRRDA to fill up its posts in deputation mode, only 09 persons are in position on deputation as on date against sanctioned strength of 66. The remaining posts are manned by either retired employees engaged by NRRDA on contract basis or by support staff engaged on contract through a manpower service providing agency. The General Body of NRRDA in its 13th meeting held on 8th December, 2010 had taken note of the fact that NRRDA was facing difficulties in getting persons on deputation and a need was felt for making the service conditions of NRRDA a bit more attractive. It was also suggested that the possibility of providing accommodation as a part of service conditions be explored so that more professionally qualified and experienced people could come forward for deputation to NRRDA. A Committee comprising of officers from NRRDA, Ministry of Rural Development and Consultant (Finance), chaired by the Director General, NRRDA examined the matter. The Committee observed that some of the main reasons for officers being reluctant to join NRRDA on deputation basis were as under:

NRRDA was not in a position to provide accommodation to officers coming on

- deputation to NRRDA as no accommodation was available with it whereas they are generally provided accommodation by their respective Governments.
- The quantum of HRA admissible [30% of (pay + GP)] to them was inadequate to neutralize the high and rising rental cost of housing in Delhi.
- ➤ 10% [of (pay + GP)] Deputation (Duty) Allowance admissible to officers coming on deputation was quite inadequate whereas some of the Government organizations provide attractive salary packages and better conditions of service.

Taking into account all the aspects and the imperative need to professionally strengthen the NRRDA, the Committee recommended for providing leased accommodation to deputationists on the pattern of NHAI, better pay packages and other facilities. The recommendations were placed before the Executive Committee in its 24th Meeting held on 11th August 2011. The Executive Committee recommended as under:

(11) Provision of leased accommodation to deputationists

- (a) To arrange residential accommodation on lease basis at convenient locations for all the deputationists subject to rental ceilings and payment of licence fees by the deputationists on the pattern of the arrangements made in this regard by the NHAI for its employees. Appropriate terms & conditions of leased accommodation may be drafted in consultation with IFD.
- (b) Officers who do not opt for leased accommodation may be paid HRA at the existing rate of 30% of basic pay including Grade Pay.

(12) Provision of better pay package

- (v) Officers coming on deputation to NRRDA from Central/ State Government Departments and Bodies may be given an option of :
 - (e) the next higher pay scale (i.e. corresponding to the higher grade pay) than that of their pay of the existing post in his parent cadre (restricted to grade pay of Rs.10000) provided they have completed at least 3 years service in that post in the parent cadre.

10

- (b) the pay scale/ grade pay of their parent cadre post plus deputation (duty) allowance @ 10% without any ceiling on the allowance and tenure as at present.
- (ii) In addition a personal pay in the range of Rs.1100 to 10% of Basic Pay plus Grade Pay to be decided by DG, NRRDA.
- (iii) Officers coming on deputation to NRRDA from Central/ State Public Sector Undertakings/ Bodies.

- (a) In case of an Officer joining NRRDA on deputation basis from a Public Sector Undertaking/ Body where the Scales of Pay, Dearness Allowance and other perks are different than that of the Central Government, his total emoluments may be protected plus Deputation (Duty) Allowance @ 10% without any ceiling on the allowance and tenure as at present and
- (b) In addition a personal pay in the range of Rs.1100 to 10% of his Basic Pay including Grade Pay (if any) to be decided by DG, NRRDA.
- (iv) The above provisions will also be applicable to the existing deputationists w.e.f. 1^{st} September, 2011.
- (v) Executive Committee will be kept informed of the cases of personal pay allowed to the deputationists.
- (vi) The existing provisions in this regard in the NRRDA (Regulation of Pay & Allowances) Bye-Laws 2004 will stand amended accordingly.
- (13) Out of 7 posts of Joint Directors, two posts may be up-graded as Additional Director.
- (14) In view of the pressing and inevitable need for augmenting the strength of Directors due to a number of additional activities and substantial increase in the work load, though the Executive Committee also recommended that the number of post of Directors may be increased from present five to six.

The matter will be separately examined on file and submitted to Hon'ble Minister of Rural Development & President of NRRDA.

The General Body in its meeting held on 24th August, 2011 accepted the above recommendations.

Meanwhile, M/S McKinsey & Company undertook a review of PMGSY and functioning of NRRDA. During the discussions held on power point presentation – 'NRRDA: Gearing up for the future' under the chairmanship of Secretary, DoLR on 1st December, 2011 and looking into the responses received to the advertisements recently, a need was felt for revisiting the terms and conditions of deputation and rationalizing the deputation terms and conditions taking into consideration those of NHAI. Accordingly, the matter was discussed with other Directors of NRRDA and a proposal for rationalizing the deputation terms and conditions were formulated. On 9th January, 2012 another power point presentation was made by M/S McKinsey & Company in the meeting chaired by Hon'ble Minister (RD) and attended by Secretary (RD), Secretary, DoLR, DG, NRRDA, Director, CRRI and other officers. In the meeting, it was desired that in the meeting of Executive Committee being held the next day (10th January, 2012), agenda notes for rationalization of the terms and conditions of deputation and engagement of retired employees and

support staff through manpower service provider be subsequently submitted and after obtaining concurrence of IFD, an agenda be placed before the GB in its next meeting scheduled on 27th January 2012.

A table showing comparison of the pay, terms and conditions of deputation in NHAI and that existing in NRRDA along with now being proposed with justification is placed at Appendix and is submitted for consideration of the Executive Committee.

- b) The Memorandum of Association and Rules & Regulations of NRRDA enjoin that there will be no permanent appointment to the Agency and the personnel will be obtained or engaged on deputation or hired on contract basis. Thus, unlike other government offices, NRRDA does not have any regular officers and staff against its sanctioned posts at various levels nor any pay scales are provided in its rules.
- **2.** As on date, out of 36 support staff in-position, 33 are engaged on contract basis through manpower service provider.
- 3. The Director General, NRRDA had constituted a Committee in July 2009 consisting of Director (RC) of Ministry of Rural Development, Director (F&A), Director (P-II) and Shri Manish Kumar, then Financial Advisor of NDMC to review the then existing remuneration of various categories of support staff of NRRDA that were fixed way back in the year 2006. The said Committee, taking into consideration the retrospective revision in pay structure of Central Govt. employees with effect from 1st January 2006 and increase in prices etc., recommended in September, 2009 that there was a need to revisit the remuneration of the employees working in the NRRDA. However, no further decisions could be taken till the expiry of contract of the then existing service provider.
- 4. At the expiry of contract with the then existing service provider, it was decided to float fresh tender to select a new service provider. However, since the service provider had made a demand for enhancing the fixed consolidated remunerations being paid to the personnel provided by them to NRRDA, the Director General had constituted a Committee of four Directors of NRRDA [Director (P-I), Director (P-III), Director (Technical) and Director (F&A)] in July, 2010 to deliberate upon the issues and to make suitable recommendations. The Committee in its meeting held on 2nd August, 2010, while taking into account the (i) qualifications, experience and job requirements for various posts of support staff in NRRDA, (ii) the revised pay structure of Central Government employees along with the quantum of Dearness Allowance and (iii) the remunerations being offered by other organizations for similar jobs requiring similar qualifications and experience, found that the quantum of consolidated remunerations being paid to support staff needed revision. Accordingly, the Committee recommended the following revised graded structure of fixed remunerations for various categories of support staff to be

made effective from 1st September, 2010:

(ii)

(iv)

(i) Programmer (IT)/ Executive Asstt./ Rs.11,500-12,000 -13,000 Accountant

Personal Assistant Rs. 9,800-10,500-11,500

(iii) Receptionist-cum-Telephone Rs. 9,400-10,000-10,800

Operator/ Sr. Office Assistant
Office Assistants
Rs. 7,200-7,800-8,500

The Committee had inter alia recommended that a Committee of Directors would make selection of personnel out of the panel of candidates supplied by the service provider for each post and would recommend the consolidated remuneration in each case taking into account the qualification, experience and skills possessed by the selected candidates.

- 5. The above graded structure of consolidated service fees recommended by the Committee was concurred by the IFD, MoRD and approved by the Hon'ble Minister for Rural Development and President of NRRDA. However, with the coming into force of revised graded service fees, the hitherto existing system of granting annual increase @`600 (EAs) and `500 (OAs) to support staff on rendering requisite length of service in NRRDA was dispensed with.
- 6. The Committee of Directors of NRRDA constituted by the Director General for selecting the candidates out of the candidates sponsored by the service provider held interviews with the candidates in March, 2011 and found that some of the deserving candidates were exceptionally good and needed to be allowed attractive salary packages so as to retain them in the agency. The Committee, therefore, after due deliberations recommended that special fee may be paid to such candidates after obtaining the approval of the competent authority.
- 7. The above recommendation of the Committee to allow special fee to deserving candidates was concurred in principle by the IFD with the advice that NRRDA should evolve some norms for payment of special fee that may be allowed only in cases where the selected candidates possessed strictly higher qualifications and experience than those prescribed in the eligibility conditions for a particular post.
- **8.** Accordingly, a Committee of Directors of NRRDA was constituted by the Director General to make suitable recommendations in this regard. The Committee met on 08.07.2011 and after due deliberations recommended the norms for special fee at varying rates ranging between Rs. 1,000/- and Rs. 3,000/- for different blends of additional qualifications and standards. It also recommended that the Director General, NRRDA be empowered to decide the grant of special fee in individual cases of support staff in accordance with the approved norms. The recommendations of the Committee

were approved by the Hon'ble Minister, Rural Development and President, NRRDA on 13.07.2011.

- **9.** The one year contract with the existing service provider is due to expire on 31.03.2012. While selecting a fresh service provider through the process of competitive bidding, the adequacy of pay package to support staff to be engaged through the service provider is also to be ensured so as to get professionally well qualified and experienced persons who can readily start working on various jobs of NRRDA. However, the quantum of consolidated remunerations was fixed last year and since then the prices have gone up. Further, other organizations are offering better pay packages (25 % to 38 % more than that currently being paid of NRRDA for similar jobs requiring similar qualifications and experience than that being paid to such persons in NRRDA.
- **10.** A proposal to revise the existing service fees being paid to support staff engaged on contract basis through service provider was accordingly submitted to the Director General, NRRDA for consideration. The DG constituted a Committee of three Directors of NRRDA to look into it and to make suitable recommendations. Accordingly, the Committee of Directors met on 9th January, 2012 and has since recommended to revise the existing service fees.
- **11.** The recommendations of the Committee are placed before the Executive Committee for its consideration.
- c) The Memorandum of Association and Rules & Regulations of NRRDA enjoin that there will be no permanent appointment to the Agency and the personnel will be obtained or engaged on deputation or hired on contract basis. Thus, unlike other government offices, NRRDA does not have any regular officers and staff against its sanctioned posts at various levels nor any pay scales are provided in its rules.
 - **2.** In NRRDA, there are following three levels of officers excluding the Director General:

Level-I Directors

Level-II Joint Directors/ Coordinator/ Dy. Directors

Level-III Asstt. Directors/ Finance Officer/ Sr. Admn. Officer/

Accounts Officer/ Hindi Officer

Despite repeated efforts, only eight posts of officers could be filled through deputation as on date leaving the remaining posts to be filled on contract basis. Currently, out of 25 officers in position in NRRDA, 17 of them are retired officers engaged on contract basis.

Further, there are two retired central government employees, one of them engaged as Executive Assistant and the other as Staff Car Driver on contract basis in

NRRDA.

- **3.** The retired officers engaged in NRRDA had been requesting for an upward revision in their monthly consolidated remuneration on the following grounds:
 - the above remunerations were fixed in the light of pre- 1st January, 2006 structure of pay but subsequently the pay structure in Central Government was revised with effect from 1st January, 2006 with a multiplier of 1.86 to then existing pay,
 - cost of living has increased manifold since 2007, and
 - other Government organizations are offering more attractive remunerations/ packages to the retired Government employees engaged on contract basis (statement appended).
- **4.** Accordingly, on the recommendations of IFD, Ministry of Rural Development, 20 % increase in the existing emoluments of the retired officers was allowed by the General Body of NRRDA in its meeting held on 24th August, 2011 with the stipulation that henceforth such employees would be engaged on contract basis directly by the NRRDA without going through the service provider. The General Body also extended the facility of reimbursement of actual charges of post paid mobile phone bills subject to a maximum of Rs.800 per month plus taxes to retired employees appointed as Assistant Director or equivalent. In its meeting held on 11th August, 2011, the Executive Committee of NRRDA, however, desired that a fresh proposal for rationalizing the terms and conditions of retired officers be submitted that could be made effective from 1st April, 2012.
- 5. The retired employees have been expressing their feelings about inadequacy of the 20 % increase in their emoluments on the ground that at the time of fixing consolidated monthly remuneration of Rs.17,000/ 19,000 to retired employees in NRRDA in the year 2007, the rate of Dearness Allowance payable to Central Govt. Employees was 6 % which has now gone up to 58 %. Even after increase of 20 % in the remuneration with effect from 03.08.2011, the present remuneration (Rs.20,400/22,800) still remains quite inadequate. They keep looking around for better packages.
- **6.** Further, since the work relating to application of Govt. rules, regulations and procedures in respect of various kinds of entitlements, fixation of pay, procurement of goods and services, recruitment/ deputations etc. require knowledge and experience in Govt. functioning, there is an imperative need to engage experienced retired Central Govt. employees of the level of Assistant/ Sr. Auditor/ Sr. Accountant or equivalent on contract basis with attractive pay package.
- 7. In compliance to decisions of the Executive Committee taken in its meeting held on 11th August, 2011, a proposal on rationalization of terms and conditions of retired

officers as well as retired Group 'C' employees was submitted to the Director General, NRRDA for consideration. The DG constituted a Committee of three Directors of NRRDA to look into it and to make suitable recommendations. Accordingly, the Committee of Directors met on 9th January, 2012 and has since recommended to revise the existing remuneration.

8. The recommendations of the Committee are placed before the Executive Committee for its consideration.
